In 2010, joining Three Bays Preservation is all about Saving...

SAVE the Bays...

Join us at Three Bays Preservation this year as we continue to work to **SAVE** the vital waterways of our community.

"Preserve, maintain, protect & enhance" is the mission of our organization — entrusted with the stewardship of Barnstable's Three Bays — North Bay, Cotuit Bay, and West Bay, *the fabric of our community.*

As a new member — or by renewing your current membership — you will be assisting in the enormous task before us of saving these waterways from the dangers they face. Through advocacy efforts, water quality monitoring projects and wildlife habitat and beach management programs provided by our organization, the quality of the bays is improving, thanks in large part to our membership support.

SAVE with our partners...

By enrolling as a member in 2010, you will also **SAVE** in other valuable ways. You can **SAVE** on some exciting commercial and cultural opportunities in our community offered by our Three Bays Partners through a new Three Bays Preservation Partnership Program.

It's an important demonstration of support for our efforts from key establishments and organizations within the Town of Barnstable community — and one that entitles Three Bays members to valuable discounts and special offers all year with the presentation of a promotional coupon and your Three Bays 2010 membership card.

SAVE on membership...

And, if you join or renew your membership with Three Bays Preservation, Inc. by April 15th, using our secure, web-based, online application at www.3bays.org, you'll **SAVE** \$5.00 on the annual membership fee of \$35.00 for the 2010 year — as well as both paper and postage. Our web enrollment page allows you to make a quick and secure credit card payment online for a very green transaction.

No matter how you choose to join us, after receipt of your enrollment, we'll forward a membership card to you for the 2010 year, March 1, 2010 thru February 28, 2011, and many Partner coupons for your savings! By presenting this card with the promotional coupon, you'll get all member discounts and savings with our new Partners — and free access all year to the beaches and pristine wilderness areas of Dead Neck Island and Sampson's Island.
